

# Isabella has a life threatening cancer

*When Isabella was 3 1/2 years old, she was diagnosed with an aggressive childhood cancer called neuroblastoma. In the hope of beating her cancer, Isabella's family and Shepwell Short Stay School have launched a journey to raise funds to ensure she can access pioneering treatment.*

*Shepwell Short Stay School & Learning Centre is aiming to raise £2,000 to help Isabella to get treatment for neuroblastoma by doing a sponsored 5K run/walk on*
